Dear Friend and Client,

We are sorry to share the news that Charles K. O'Malley - Chuck to most of you - passed away peacefully in his sleep last Sunday morning (4/18/21). Kathy's loving husband of 60 years, a Dad of six, Pop to ten grandchildren and the managing partner of O'Malley & O'Malley, LLP, his loss will be deeply felt among his family, friends, and clients.

As many know, Chuck had some health struggles in recent years, but he was alert to almost the very end, giving directions to each of us, including a reminder to buy him new glasses on Saturday morning. His joy in living was unmatched, which made the last few years even harder on him.

Unfortunately, Chuck's passing comes at a critical time for all of us, with tax deadlines just weeks away. As you know, the Individual tax filing due date was extended to May 17, 2021. Please be assured we will do our best to complete any remaining tax filings currently in our office by that deadline. However, with the loss of our business associate, Jay Conway, in late March and now the passing of Chuck, we have lost valuable office hours and may need your patience. Please contact the office if you are comfortable extending your return, so that we may focus on returns for those who must meet the May 17th deadline. As always, if you require immediate tax help or have tax related questions, you can call the O'Malley & O'Malley, LLP office at 856-829-9100 directly.

Due to the timing and Covid restrictions, Chuck's viewing and Mass will be private. However, we are planning an outside "Life Celebration/Irish Wake" for mid-July, as Covid restrictions lift. We hope for an event where we can be together to share memories and the joy of a life well-lived. Details will be provided at a later date, once it can be held safely. Our firm and family encourage you to join us then, to share a story or a memory and for a final toast to Chuck.

Chuck felt truly blessed with healthy children and grandchildren and his empathy was great for those who were not so fortunate. In lieu of flowers or food, please consider a donation to St. Jude Children's Research Hospital in his memory or to your local food bank. Donations to St. Jude can be made directly through a link on our Facebook page.

Very truly yours,

Kathy, Mariette & David O'Malley
